Date: 16 – 29th of July 2023

Teachers must arrive one week before for adaptation, orientation and preparation and they are welcome to stay one extra week after the EFM if they want to do some tourism and to rest.

Description: The EFM is an intensive English course focused on Christian vocabulary and missions.

Classes: 3 classes divided in basic, intermediate, and advanced levels.

Who are the students: Brazilian church members, bible school students, missionaries, and church leaders (around 25 students total). Each class may hold 8-9 students from ages 18 and older.

Teaching qualifications: Although it's very handy when the teacher has some ESL/EFL training, for the EFM there's no need to be a trained teacher. Being a native speaker and a born-again Christian is more than enough to handle the classes.

Resources available: We have English bibles, books for photocopy and some games. Feel free to bring any additional material, such as visual aids, games, and any other resources.

Costs: Volunteers must cover their own airfare costs to come to Brazil and donate USD 300.00 to cover food, trips and accommodation during the two-weeks program; except are the meals before and after the EFM course. And we recommend the same amount for personal expenses.

Application due date: Beginning of June 2023
